Premium Orange Juice Concentrate

Asia Farm Healthier Choice Premium Orange Juice Concentrate is a product made from the concentrate of freshly squeezed oranges, which is a concentrated liquid that can be reconstituted with water when ready to consume.

Oranges are a good source of vitamin C, potassium, and folate, and also contain flavonoids, which are antioxidants that may help protect the body against inflammation and damage from free radicals. Consuming orange juice may support the immune system, improve heart health, and promote skin health.

Healthier Choice Premium Orange Juice Concentrate may provide some potential health benefits as a source of vitamin C and other nutrients found in oranges. It is important to consume it in moderation as part of a balanced diet and to consider any individual health concerns or dietary restrictions.
